SUBMISSION OF SEQUENCE LISTING IN COMPUTER READABLE FORMAT

Sir,

This is a response to the Notification to Comply with Requirements under 35 USC § 371, mailed 6 February 2007. A request for extension of time to respond to the Notification accompanies this submission. A copy of the Notification also accompanies this submission.

Please find enclosed documents for submission of a Sequence Listing in computer readable format on electronic media that complies with the requirements of 37 CFR 1.822 and 1.823 for the above referenced Utility Patent application, details as below.

Enclosed:

2 x CD-ROM Sequence Listing Part, Copy 1; Copy 2, CRF (ASCII)
1 x CD-ROM sequence Listing Part, CRF (MS Word)
List showing SEQ ID NOs and corresponding disclosure in Description of the
Invention

The sequence listing information recorded in computer readable form is identical to the written (on paper or compact disc) Sequence Listing and in the Description as filed December 3, 2004 and contains no new matter.

Respectfully submitted,

Matthew Kaser, D.Phil.
